November 30, 2007

Permit Number: OCRM-07-276-E
Permit ID: 60878

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Lawrence Dodds, Jr.
c/o Kennerty Surveying Inc
PO Box 26
Ravenel, SC 29470

LOCATION: On and adjacent to Darrell Creek at 3709 River Station Ct., Darrell Creek Subdivision, Mount Pleasant, Charleston County, South Carolina. TMS#: 596-08-00-052.

WORK: The work as proposed and shown on the attached plans consists of constructing a dock. Specifically, a 4' x 263' walkway, with handrails, will lead to a covered 10' x 10' fixed pierhead. Ebbside of the pierhead, a ramp will access a 6' x 10' floating dock. Floodside of the pierhead, a covered 12' x 12' four-pile boatlift is proposed. The purpose of the proposed activity is for private, recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

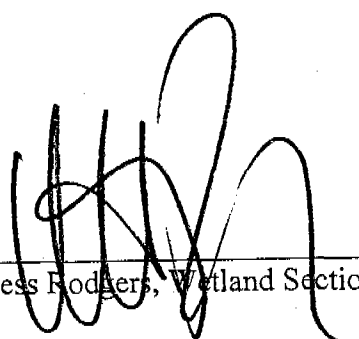

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before December 15, 2007. For further information please contact the project manager for this activity, Bill Eiser, at 843-953-0237.
